CORRESPONDENCE/GENERAL DISCUSSION:

NONE

OLD BUSINESS:

- Bass Island Park. The PRLAC will be hosting a cleanup of Bass Island Park on Saturday, April 22 from 9-12. Lunch will be provided. The city will be providing their equipment trailer with tools and trash bags.
 - Ms. Beaulieu reported via email that the Manchester Parks Department will be providing \$40,000 in CIP funding for streambank stabilization at Bass Island. Also, the Manchester Parks Department will be receiving Federal Funds to install a catch basin in the Bass Island parking lot. The Dept of Public Works engineers will be drafting the plans. PRLAC will review the plan for stabilization and the stormwater catch basin.
- Friends of the Piscataquog River Park (FPRP). Ms. Beaulieu reported via email that the FPRP received a \$10,000 Manchester Event and Activation Grant for the cleanup

event they are hosting on April 29. They will use money for tools, T-shirt's, cleanup and invasive plant removal. The PRLAC submitted a letter of support.

Mr. Garfield commented that the NH Department of Agriculture has a great guide to invasive plant species in NH. See: New Hampshire Guide to Upland Invasive Species: <https://www.agriculture.nh.gov/publications-forms/documents/upland-invasive-species.pdf>

- Piscataquog River Management Plan (PRMP). Ms. Beaulieu reported via email that she researched the Piscataquog River Management Plan and found dozens of great photos. If the PRLAC chooses to update the Plan, these photos and documents can be referred to in the update. Ms. Beaulieu stated that the Friends of the Piscataquog River Park should be included in the update.

The Committee then discussed updating the Management Plan. Vice Chair, Mr. Magee will reach out to the River and Lakes Program Administrator to see if funding is available to assist with the update.

The Committee was also asked to review other LAC management plans, which can be found here: <https://www.des.nh.gov/water/rivers-and-lakes/rivers-management-and-protection>.
