**PISCATAQUOG RIVER LOCAL ADVISORY COMMITTEE (PRLAC)**

**Meeting #291**

**July 19, 2022**

**MINUTES**

Andrew Cadorette, Clerk, Goffstown, called the meeting to order at 5:32 pm.

**MEMBERS IN ATTENDANCE**

Andrew Cadorette, Clerk, Goffstown; Donna Mombourquette, New Boston; Gary Samuels, Deering; Michael Thomas, Deering.

Absent: Jane Beaulieu, Chair, Manchester; Alan Garfield, Goffstown; Kevin Probst, Francetown; John Magee, Vice Chair, At Large.

**OTHERS IN ATTENDANCE**

None

**MINUTES:**

The minutes of May 17, 2022 and June 21, 2022 were approved as written. Motion to approve by Mike, second by Donna.

**PERMIT APPLICATION REVIEWS**

The Committee reviewed the following permit applications:

- Alteration of Terrain – File Number: 220708-127, Owner: Eversource, GZA File No. 04.0191410.18, Dated July 7, 2022. **Email: [lindsey.white@gza.com](mailto:lindsey.white@gza.com)**
  - The Committee review the AOT permit application for Eversource Energy's application for the replacement of transmission lines in Goffstown, Dunbarton and Bow as prepared by GZA GeoEnvironmental, Inc.
    - The Committee commented that they request that the applicant seek to ensure that any debris be removed, and the land reforested, and habitat resorted in the areas disturbed to status quo ante.
- Expedited Minimum Impact Wetlands Permit Application, Map 107, Lot 41-7, Woodfern Road, Weare. MLS File: 07632.01. Owner: James A. Spring Revocable Trust. Dated July 12, 2022. **Email: [tecarr@meridianlandservices.com](mailto:tecarr@meridianlandservices.com)**
  - The Committee reviewed the Expedited Minimum Impact permit for Map 107, Lot 41-7, Weare and authorized Andrew Cadorette to sign the permit on behalf of the Committee. The Committee also requested that the following statement be included on the PRLAC signature line: "The PRLAC requests that the contractor restore all disturbed habitat and perform all work in a timely manner to minimize impact."
- Standard Dredge and Fill Wetland Permit – File Number 2022-02058, Tax Map 6, Lot 68, Goffstown Owner: Bradford. Dated July 12, 2022. Email: [dflores@sfceng.com](mailto:dflores@sfceng.com)
  - The Committee reviewed the Standard Dredge and Fill Wetland Permit – File Number 2022-02058 submitted by SFC Engineering.
  - The Committee saw this permit as an improvement over the current conditions. They request that the applicant seek to ensure that any debris be removed, and the land reforested, and habitat resorted in the areas disturbed to status quo ante.

### **CORRESPONDENCE/GENERAL DISCUSSION:**

- Alteration of Terrain – File Number: 20220708-127, Tax Map 5, Lot 15, Goffstown, Owner: Eversource Energy. **Email: [ngolon@tfmoran.com](mailto:ngolon@tfmoran.com)**
  - Official Notification and Response to LAC Committee Letter, Dated July 14, 2022.
    - The Committee review the letter receive from TFMoran, Inc. in response to the Committee's comment from the June 21, 2022 meeting minutes. The Committee appreciated the follow up letter.
    - The Committee requested that Andrew reach out to Nicholas Golon to clarify under response #2 storm water management plan - Who is the agency or entity that will be performing the bi-annual inspections as required by the permit and what steps are taken by the applicant to ensure this happens? **Answer** – Bi-Annual inspections are required by the permit. The Applicant has a contracted with a firm to provide the bi-annual inspections.

### **OLD BUSINESS:**

- Protected River sign installations, Manchester – The Committee will follow up with Jane at next meeting given her absence.
- Riverbank stabilization and debris removal project along the Piscataquog River near Bass Island – The Committee will follow up with Jane at next meeting given her absence.
- Potential habitat destruction in New Boston along the middle branch – The Committee will follow up with John at the next meeting given his absence.

### **NEW BUSINESS:**

- Donna informed the Committee of a zoning variance request for 666 North Mast Road in Weare, Tax Map 3, Lot 64. The applicant is seeking to add a 1300 sq ft addition to the existing building. The parcel is located within ¼ mile zone however the addition appears to be outside of the 200' reference line from the North Branch of the Piscataquog. Donne will continue to monitor and update the Committee.
- Donna commented that she will inquire into the status of the proposed gravel pit along the Piscataquog River in New Boston on Lyndenboro Rd. The Committee had sent comments to the New Boston Zoning Board and Conservation Commission in January of 2022 when the applicant was seeking a variance to the Town's Groundwater Conservation District for the construction of the gravel pit.

### **MEMBERSHIP:**

New Boston: Donna mentioned that she has been in touch with Jimmie Allen and his is interested in joining the committee as a New Boston representative. She will continue to stay in touch with him to provide guidance.

Weare: The Committee will follow up with Jane to see if she has been able to contact Rick Farr, Weare, about his application status.

### **NEXT MEETING:**

The next meeting will be the **third Tuesday, July 19, 2022, 5:30 pm** at the Weare Public Library.

Adjourned 6:49 pm

Respectfully submitted,  
Andrew Cadorette, Clerk
