RE: NHDES Shoreland 2026-00326, New Boston

The Piscataquog River Local Advisory Committee (PRLAC) reviewed the subject Shoreland Permit Application at our February 24, 2026 meeting and provide the following comments:

1. The PRLAC was not able to review this application because it was not sent to the PRLAC. Chair Magee received only a letter dated February 12, 2026 from Sanford Surveying and Engineering, the applicant's agent, stating that the application had been submitted to NHDES.
2. Chair Magee has corresponded between February 16-19, 2026 with Ryan Duquette, Shoreland Supervisor at NHDES, indicating that the PRLAC has not been sent the complete application as required by Env-Wq 1406.13(b)(4).
3. The PRLAC intends to review the complete application when it has been sent to the PRLAC.

Sincerely,

John Magee, Chair, PRLAC, mooseseer@tds.net
