Mr. Bill Boyd,
Chair, Drinking Water and Groundwater Trust Fund Advisory Commission

Re: Purchase of vacant lot at 7 River Road, New Boston

Mr. Boyd,

The Piscataquog River Local Advisory Committee supports the proposed purchase of the lot at 7 River Road by the Town of New Boston, to be managed by the New Boston Conservation Commission, with the understanding that there be long-term protection of the qualities of the river through either a conservation easement or deed restriction.

Please contact me with if you have any questions. We are happy to see this property conserved.

Sincerely,

John Magee
